2 The rate of increment in the pad was fixed so as to allow the officer to reach the maximum pay after in 10 years.

3. I do not think there is any need to compare the rate of increment fixed in the case of different appointments, nor is there any rule of necessity or propriety that the higher the pay of an appointment the greater the rate of periodical increment should also be.

4. As Mr Ranganathan has explained, he has been affected by the change in the travelling allowance & if he can get a pay of 800 Rs he will get 5 Rs. d.a & Rs mileage.

5 He will get a pay of 800 Rs if his service of over 2 years as acting Registrar is counted for increment in the new scale. That is a matter for consideration.

The period is an unbroken one of over two years and I am not aware of any reason why the request as regards this point should not be favourably considered. I should recommend it myself.

Final Note by the Second Member of Council.

Subject:—

Representation of Mr. R. Ranga Rao, Registrar, Co-operative Societies, in regard to his pay and increments.

Mr. R. Ranga Rao was in charge of the office of the Registrar of Co-operative Societies from the 22nd December 1917 to 23rd June 1918. He was appointed to act as Registrar from the 24th June 1918, and, finally confirmed in that appointment with effect from the 24th November 1919 and the pay of the appointment fixed at Rs. 750-50/2-1000.

2. He now represents that the rate of increment fixed (viz., Rs. 50/- once in two years) is too low and requests that the grade may be suitably altered. He also prays that the period of over two years from the 22nd December 1917 during which he has been doing the duties of the Registrar may be counted towards his promotion and adds that this will enable him to get a daily allowance of Rs. 5/- and a mileage of 8 annas under the revised Travelling Allowance Rules recently sanctioned.

Page 3 of Office Note

3. When the papers were submitted to me, I noted that, though there might be some objection to the scale of pay which had been recently sanctioned being revised, yet, there would be none to let this officer have the benefit of the acting period to count for increments.

4. The Financial Secretary also agrees that the acting period may be allowed to count for increments.

5. The question was considered in Council and the Council have resolved to treat the acting period as counting for increments as agreed to by the Financial Secretary.

OFFICE OF THE

D.O.No. 352

OFFICE OF THE
REGISTRAR OF CO-OPERATIVE SOCIETIES
IN MYSORE.

Dated Bangalore, 22nd Feb. 1920.

My dear Sir,

With reference to Government Proceedings No.818-20/C.B.103-19-1 dated the 17th December 1919 I beg to thank the Government for confirming me as Registrar of Co-operative Societies, and to ask for permission to place the following two points before the Government for their favourable consideration.

The pay of the Registrar has now been fixed at Rs.750 rising to Rs.1,000 by biennial increments of Rs.50. I am not aware of any appointment which exactly corresponds to this one, but in the nearest corresponding appointment which is that of a Professor in the Educational Department on Rs.700 rising to Rs.1,000, the rate of increase is Rs.50 per year. As Deputy Registrar on Rs.400 rising to Rs.700, I was getting an annual promotion of Rs.30. In these circumstances, I venture to think that the present rate of increment is unduly low and, if the Government are pleased to take this view, I beg that the grade may be suitably revised.

The next representation which I beg to make is that the period during which I have been in charge of the Department may be counted for my promotion. I was in charge of the office of Registrar from the 22nd December 1917 to the 23rd June 1918 and I officiated in that appointment from the 24th June 1918 to the 24th November 1919 when I was confirmed as Registrar. I have thus put in an unbroken period of over 25 months as Registrar.

The matter is one of small importance except as it affects the rates of travelling allowance admissible to me. Under the rules as they stand at present, my mileage has gone down from annas eight to annas six a mile and my batta from Rs.6 to Rs.4 a day. On a recent representation made by me, the Government declined to continue the old rates to me as they considered that the rules admitted of no exceptions

If, however, my prayer is granted, I would be eligible for the next higher rates of travelling allowance and I venture to express the hope that in view of the exceptional nature of the circumstances, the Government will be pleased to take a favourable view of the representation.

Yours Sincerely,

R. Ramadas.
